

# LEDA

by Francesco Beghetto

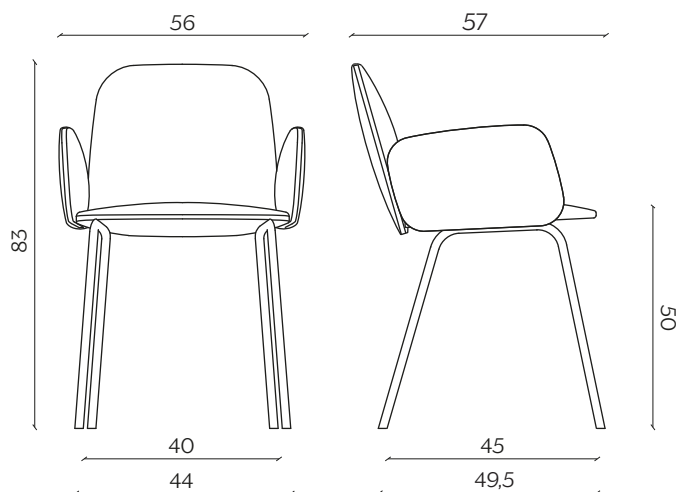

Leda è nata per dare una forma istituzionale al comfort. L'abbiamo pensata con una silhouette morbida e pulita, per proporre una seduta che sappia dare il giusto valore a spazi privati e pubblici, dall'home office alla sala conferenze.

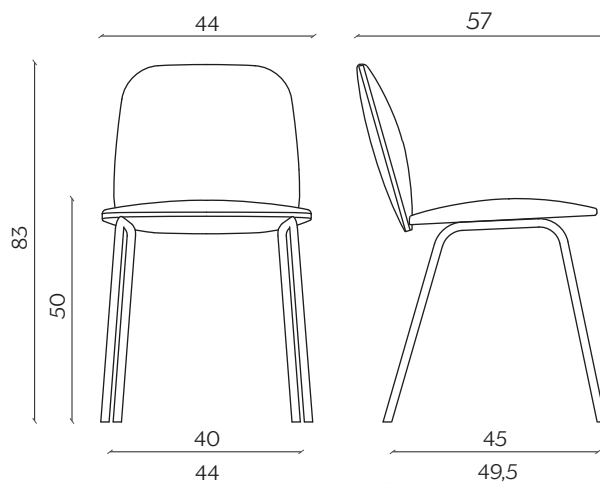

Leda was created to give an institutional form to comfort. We designed it to have a soft, clean silhouette, to offer a chair that knows how to bring the right value to private and public spaces alike, from the home office to the conference room.
