

## Madia Lea H55

design Paolo Vernier, 2019

Madia Lea: mobile contenitore per zona giorno con ante a battente in legno oppure rivestite in tessuto, similpelle o pelle. Top in ceramica.

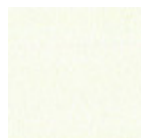

La madia Lea è disponibile in due versioni: con altezza 55 cm o 73 cm. La versione con altezza 55 cm prevede una mensola a giorno con ripiano in vetro.

Sostenuta dai piedini conici che mantengono la linea della collezione, la madia Lea si caratterizza per l'estrema leggerezza delle forme e il design morbido. I rivestimenti delle ante abbracciano la scelta di tessuti eleganti o materiali tradizionali rendendola versatile e originale per arredare con continuità gli ambienti contemporanei.
